Gas, Electricity

NATURAL GAS

Florida City Gas supplies natural gas to most of Brevard. Contact them at 1-800-993-7546 to establish an account or request to be contacted at:

<https://www.floridacitygas.com/residential>

A deposit is required for a meter, calculated according to the amount of monthly gas usage. There is also a start-up deposit of \$50. The meter deposit is refunded with interest after 12 months to customers with good payment records.

ELECTRICITY with FPL 321.723.7795

Florida Power & Light is the company that provides electricity in Brevard County. You can start new service online at:

<https://app.fpl.com/sowww2/SowwwHtmlController?command=displayWelcomeCommand>

To start service at a home, you will need:

1. Address where you want service
2. Social security/social insurance or driver's license number
3. Preferred start date

FPL uses a credit scoring system to determine if a deposit is required in order to open an account. Customers who are required to pay a deposit are required to provide a deposit equal to two month's expected electricity use when the home is occupied, which is standard utility practice. For example, if you occupy your home year-round and use an average of \$100 of electricity per month, the deposit amount would be \$200. Your deposit is refunded with any earned interest when the account is closed or after 23 months of consecutive service barring any problems with payment during that time.

Water

All water services will require a copy of your deed which can be found in your closing documents. Provide this with your application to turn on water service for your city. Charges for sewer, water and deposits vary.

Melbourne supplies water to Melbourne, Indian Harbour Beach, Satellite Beach, Indialantic, Melbourne Beach, Melbourne Village, and Palm Shores. Irrigation days and hours are restricted by order of the St. Johns River Water Management District water conservation rules, and by City ordinance. You can also call 321.608.7100. <http://www.melbourneflorida.org/departments/public-works-utilities>

West Melbourne provides water, sewer, garbage, recycling and yard trash. See their website for details: <http://www.westmelbourne.org/index.aspx?nid=28>

You can sign up for utilities at the West Melbourne City Hall, located at 2240 Minton Road, Second Floor, West Melbourne, Florida 32904. Business hours are from 8:30 am to 5:00 pm. Phone: 321.727.7700

Palm Bay utilities are also done through the city. They allow payments over the phone at 321.733.3069. You can also reach them at <https://www.palmbayflorida.org>

Moving to the north end of the county, Cocoa provides these same services for the City of Cocoa, Rockledge, Merritt Island, Cocoa Beach and Cape Canaveral. Contact them at 321.433.8400 or on their website at <https://www.cocoafl.org/235/Utilities> for details on starting your water utilities service.

Titusville residents can set up their water with the City of Titusville. They can be reached at 321.383.5791 or on their website at <https://www.titusville.com/350/Custom-er-Service-Utility-Billing>.

Thank you,

Thank you for closing on your property with us. We look forward to working with you in the future. After all, *Why in the world would you close anywhere else?*
